

Pivoting TidyArm® LazyS Crescent Desks

Popular Dual Sizes

600 x 1500; 600 x 1600. Designed to connect together in multiples of 3 or 6 dual desks providing 6 or 12 seats. The 12 seat configuration only needs an area of 9.5 x 2.2 metres. Ideally suited for Library Resource Centres or other open plan study areas.

Desk Top Construction

Industry leading 30mm MDF – Vinyl Beech effect covered, 8mm top radius all round for maximum safety, all attachment points use threaded metallic screwed inserts for strength and durability.

Cantilever Legs

Welded heavy duty 3mm thick steel tube with adjustable feet - 710; 735 or 760 high.

Cable Management

Steel Modesty Panel incorporates six way 13 amp multi-plug adaptor and cable management securing clips. Up to 3 dual desks fed from one 13 amp socket. Pivoting plastic cover hides cables from view and tampering.

Pivoting TidyArm®

Patent applied for all steel TidyArm® provides a zero maintenance secure mounting for 15"; 17", 19" or 21" TFT monitors via VESA standard holes with anti theft screws. Monitor, keyboard and power cables protected within TidyArm® that also incorporates safe storage for mouse and keyboard. TidyArm® rotation limited to 90 degrees to enable clear desk top for non ICT desk based study.

PC Secure Enclosure

2mm thick all steel lockable compartment with unrestricted ventilation entraps industry standard PC's from small form factor, desk tops and Midi Towers. Ventilated hinged flap restricts access to PC with high security lock (all keys alike).

Finishes

Tops may be specified in a variety of wood grain effects or plain colours. Laminate finishes (Formica™ etc) are also available. All metal work is finished in Black epoxy powder coat, other colours available on request.

General Information

Typical dual desk weighs over 70 kilograms (excluding PC). Desks may be interconnected end to end and or back to back. Different sizes and configurations available on request. 3D room planning service available. If you need a particular size not listed we will be pleased to quote you.

Quality Testing and Guarantee

All manufacture is by IS9000 accredited UK based suppliers. Desk was independently tested to exceed BS EN 527 (see copy of test certificate). Guaranteed five years following issue of certificate of conformance after installation. Designed to work Built to last!
